

TheStudio

For Dance & the Arts

The School of the Rockbridge Ballet

POLICIES TO HELP ENSURE THE SAFETY OF OUR DANCERS & STAFF

Our lobby will be closed to parents and observers.

We will utilize curbside student drop-off and pick-up. We will have a staff member present to monitor the dancers' entrance and exit of the building.

All staff, faculty, and dancers must wash hands with soap and water or hand sanitizer before and after each class.

Instructors will adjust teaching methods to help dancers social distance during class.

We have adopted staggered scheduling, allowing time for students to exit the studio and for the dance room to be properly sanitized between classes.

All staff, faculty, and dancers must stay home if they have a cough, fever or if a member of their household has been sick or is showing signs of illness.

Restrooms, light switches, doorknobs, sinks, and other frequently touched surfaces will be sanitized numerous times throughout the dance day.
